<p>There was a lot of interference on the teleconference line – callers who did not mute their phones, or put their line on hold which caused us to hear music. I was unable to clearly understand the names of everyone who spoke. When I post the audio recordings, I ask that you listen so you can hear what I heard.</p>	
<p>Please email me at ssiverson@aidea.org the correct spelling of your name, your affiliation, phone number and email. If you wish to attach your public comments to the email, we would be happy to include them in the record of this meeting. Thank you. Sherrie</p>
