

CHIEF OPERATING OFFICER

Looking for a new challenge? Interested in joining a team with the goal of encouraging economic growth and increasing job opportunities in Alaska? Then check out the details for our **Chief Operating Officer** position with Alaska Industrial Development and Export Authority (AIDEA).

Our Chief Operating Officer (COO) is responsible for leveraging AIDEA programs to foster public and private investment for projects in Alaska. This position oversees the Chief Investment Officer, the Chief Infrastructure Development Officer, the Commercial Finance Director and the External Affairs Officer.

This position requires a minimum of fifteen (15) years of experience in project development and finance, including successful efforts in due diligence, project analysis, financial and project structuring, and project execution; and demonstrated progressive responsibilities with a private/public marketplace capacity, specifically managing an executive team, budget, and capital tools. Experience in strategic planning, setting of goals and performance standards, and implementing operational approaches is required. Individual must have strong written, verbal and interpersonal communication skills. Individual must be able to motivate teams to produce quality materials within tight timeframes and simultaneously manage several projects. This position requires a high degree of independent action.

Preference will be given to candidates with a law degree or MBA in business or related field, or significant experience as a COO or other senior management position.

For more information, or to apply online, visit www.aidea.org. Send application and/or resume to Human Resources, AIDEA, 813 W. Northern Lights Blvd., Anchorage, AK 99503, by fax to (907) 771-3946.

AIDEA is an EEO/ADA employer. Individuals requiring accommodations should call 1-800-587-0430 or (907) 465-3412 (TTY).
