

NOTICE OF PROPOSED CHANGES IN THE  
REGULATIONS OF Alaska Energy Authority

The Alaska Energy Authority (AEA) proposes to adopt regulation changes in Title 3 of the Alaska Administrative Code, dealing with the allocation of supplemental appropriations to the Power Cost Equalization (PCE) program, amending 3 AAC 107 as follows:

**Adding a new section (3 AAC 107.225) to address the method AEA will use to allocate supplemental appropriations to the PCE program made after earlier pro rata reductions.**

You may comment on the proposed regulation changes, including the potential costs to private persons of complying with the proposed changes, by submitting written comments to Alaska Energy Authority, att. Becky Gay, Project Manager at 813 W Northern Lights, Anchorage, AK 99503; electronically by electronic mail (e-mail) to bgay@aidea.org OR by fax to 907-269-3044. The comments must be received no later than 5:00 p.m. on Tuesday, May 9, 2006.

If you are a person with a disability who needs a special accommodation in order to participate in this process, please contact Becky Gay, Project Manager at 907-269-3000 no later than Monday, April 24, 2006 to ensure that any necessary accommodations can be provided.

For a copy of the proposed regulation changes, contact Becky Gay, Project Manager at 907-269-3000 or 813 W. Northern Lights, Anchorage, AK 99503; or e-mail your request to bgay@aidea.org; or go to www.akenergyauthority.org to download an online pdf file.

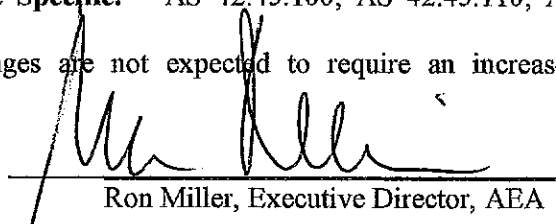

After the public comment period ends, the Alaska Energy Authority will either adopt these or other provisions dealing with the same subject, without further notice, or decide to take no action on them. The language of the final regulations may be different from that of the proposed regulations. **YOU SHOULD COMMENT DURING THE TIME ALLOWED IF YOUR INTERESTS COULD BE AFFECTED.**

**Statutory Authority:** AS 44.83.080

**Statutes Being Implemented, Interpreted, or Made Specific:** AS 42.45.100; AS 42.45.110; AS 42.45.160; AS 42.45.170

**Fiscal Information:** The proposed regulation changes are not expected to require an increased appropriation.

3 AAC 107 is amended by adding a new section to read:

**3 AAC 107.225. Allocation of supplemental appropriations after pro rata reduction.** If a supplemental appropriation is received for the power cost equalization program after the authority has made a pro rata reduction under AS 42.45.110(i), the authority will

(1) increase the power cost equalization payments to be made to eligible utilities for the rest of the fiscal year on a pro rata basis up to the maximum allowable under AS 42.45.110; and

(2) if any money remains after payments are made under (1) of this section, make additional power cost equalization payments to eligible utilities that received reduced payments under AS 42.45.110(i) to restore funding to the maximum allowable under AS 42.45.110 for each month, starting from the most recent month and going back to the beginning of the state fiscal year.
