

Project Manager - Program Manager

Looking for a new challenge? Interested in joining a team with the goal of encouraging economic growth, increasing job opportunities in Alaska, and providing energy solutions to meet the unique needs and opportunities of Alaska's communities? Then check out the details for our **Project Manager - Program Manager** position with the Alaska Energy Authority (AEA).

Our Project Manager - Program Manager is responsible for managing and overseeing the Alaska Energy Authority's renewable energy (RE), Energy Efficiency, and Electric Vehicle projects and programs.

We're looking for someone with a Bachelor's Degree in engineering or related field and five years of experience in project/program management. Strong preference will be given to candidates with a professional engineering license in the State of Alaska. Preference will be given to PMP certificate-holders.

For more information, or to apply online, visit www.akenergyauthority.org or www.aidea.org. Send application and/or resume to Human Resources, AIDEA/AEA, 813 W. Northern Lights Blvd., Anchorage, AK 99503, by fax to (907) 771-3946.

AIDEA/AEA are EEO/ADA employers. Individuals requiring accommodations should call 1-800-587-0430 or (907) 465-3412 (TTY).
